Cycling for Food—The Sequel

Thank you to everyone who donated to St Paul's Children's Project in support of our effort to cycle the C2C route from Whitehaven to Tynemouth last weekend. I can confirm that Northern England has some amazingly scenic countryside – I can also confirm that Northern England has some amazingly long and very steep hills!!

Your generosity made it very motivating and I am pleased to say that we completed the ride on Monday afternoon bang on time. The reward of an ice cream at the end was very welcome as was the regular treat of lots of cake in cafes on the route!

Our friends in Zambia were with us in spirit and wanted regular updates on our wellbeing over the weekend.

We are delighted with our total raised so far of c£1700 but if you have been meaning to donate and haven't got around to it please follow the link below

<https://cafdonate.cafonline.org/28216> or go to our website <https://www.stpaulschildren.org.uk/fundraising>

Once again many thanks to everyone for your monetary and prayerful support.

Malcolm
